

Captain's Comments

As you are aware, Frank leaves at the end of September after 9 successful years at the Club. We wish him well with his new career. We have received a number of applications to take over the catering franchise and hope to be able to let you know soon who has been appointed. In the meantime, Billy Mason will provide a limited menu over the winter period. However, the kitchen will be closed on Mondays for the interim period only.

The weather during the Championship Week was horrendous and we eventually had to give in and accept that ties would not be able to be completed in time for Finals Day on 14 August. Fortunately, most were able to be played on 28 August. Congratulations to all the winners and runners up. Full details overleaf.

I hope you will agree that

throughout the season the green-keeping staff have managed to maintain the courses at a high standard under very challenging weather conditions.

Our teams have had a successful season. In particular, the women's Patrick team won the league for the 14th time in the past 17 years. The women also won the Harper Kennedy League for the first time since 2002. The men's Jessiman team reached the semi-final stage losing to Cawder and in the McIntyre Seniors League we finished in a much stronger position than last year.

I enjoyed watching several of the junior boys matches teeing off and was impressed by the exemplary way they represent the Club under the supervision of David, Kirsten and Adam. The junior teams had a successful year retaining the Marley Trophy and since many of the players are still very young we should enjoy

Men's finalists on the 36th hole, at the end of the Championship

further successes in future years. Congratulations to the 2 juniors - James Sutherland and James Wilson - who qualified for the men's scratch championship.

Ladies Championship on 14th

On the recent Open Day 62 new members joined the Club with 45 of them being Ordinary members. This brings our total membership to 893. I was particularly pleased that several of the visitors commented on the friendly atmosphere around the Club.

We have introduced an electronic suggestion form on the HP website. Its main aim is for members to use it to share ideas as to how the Club can improve for the benefit of all.

I look forward to seeing as many as possible of you at the prize-giving on Friday 25 November. It is planned as an end of season social evening for all members and John Stuart has promised us a good speaker. In the meantime enjoy the remainder of the golfing season.

Maida

Next year it would be good to see bigger crowds turn out to watch competitors play for the Championships and other Knockout Trophies.
